Forum For IITJEE, NEET

Dear Parents and Students,

Radical Educational Group is serving the student community since 2002. It was started with the mission to guide and train the students in Amritsar region by providing them training facilities comparable to the best in the country. The aim was to send maximum students into the best Engineering Institutes and Medical Colleges through IIT-JEE and Medical Entrance Exams.

As a parent you definitely want the best for your child, and we are happy to be working with you to make sure they receive genuine knowledge to face the highly competitive examinations.

We recognize that each student is unique and learns at one's own pace. At Radical, a student is provided with opportunities to discover oneself, unveil potentials, where learning is enjoyable and many more.

BATCH SIZE

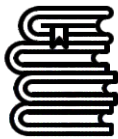

Optimum batch size to ensure that all students feel motivated to participate in class discussion and are provided with personalised attention
